

The Gali Family

May/June

Dear World Wide New Testament Baptist Missions Family,

We can now honestly say we feel like we are on deputation. The last two months have kept us pretty busy and we praise God for every door He has opened to allow us to present our ministry. In March, we had the privilege to visit Alberta, Canada for ten days. It was a blessing to spend time with the Bicha family, fellow World Wide missionaries, and to see how God is using them on the field. We were also able to visit other area churches and we enjoyed the fellowship with Canadian believers. It was wonderful to witness the faithfulness of those who had to travel great distances to be in church. It made us think of the billions around the world that do not even have that privilege. We pray that God will use us to share the light of the Gospel to those in Chile that have never heard.

We praise God for the added support that has come in during March and April. It is exciting to see God provide and meet our needs, but we have also been reminded that, although not all-powerful, we do have a strong foe. We have experienced what seems like constant sickness, computer troubles as well as times of discouragement. Although these circumstances seem like hindrances, I am thankful we serve an Almighty God who is in control of all things and is our Everlasting Strength. It has been through these times that I see the irreplaceable value of prayer. Our family is thankful for the many people that daily lift us up to God in prayer. We need this more than anything else we could ask for.

Please pray for Matthew as we travel that he will adjust to the ever changing routine while on the road. Also pray that we will be sensitive to God's leading and that we will be faithful to do His will. Again we thank you for your prayers and may God bless as we serve Him together.
