

The Gali Family Missionaries to Chile

September 2006

Dear Pastor,

“Thou wilt keep him in perfect peace, whose mind is stayed on thee: because he trusteth in thee. Trust ye in the Lord for ever for in the Lord JEHOVAH is everlasting strength.” (Isaiah 26:3-4) God has used these verses in Kristen’s life to bring peace to our calling, but they have also been a source of strength the past couple of months. God has been so faithful and truly a giver of peace.

Satan has tried his best to discourage us when we are physically worn out, but God still lifts us up and gives the peace and strength to keep on. We thank you for the prayers on our behalf. They are invaluable to us.

God has blessed and we have had our support increased. He has opened up meetings and filled our schedule for the remainder of this year and into the next. We have four conferences in October and will be in Maryland, Virginia, and North Carolina. We are currently around 40% and we praise God that He is bringing us closer to His will for our life.

Samuel celebrated his first birthday on August 26. We were in Virginia for his birthday and it went well. We took him to a restaurant and ordered a chocolate cake for him. The waiters sang, but he cried. He enjoyed the cake though. He ate most of it and wore the rest. The people at the restaurant could not stop laughing as he ate up his cake and licked his chubby fingers trying to get the last bite. We are thankful for his healthy appetite! Both Sammy and Matthew have colds. We ask that you pray for their healing. We also ask that you pray for Matthew as he has started to miss home, especially his sand box.

Again, we thank you for the continued prayers and support. May this be a fruitful time and a blessed time as we serve our Lord in these last and very dark days.

Prayer Requests

- 1 For the boys health
- 2 Travel safety (During a recent trip I saw at least 7 accidents!)
- 3 Kristen’s grandmother passed away on September 9. Pray for the unsaved in her family that hearts will be tender to the gospel.
- 4 The house we live in has been sold. Our landlord will let us know if the new owner wants us out.

Chile News

Free morning after pills to teen girls as young as 14 years old to combat high teen pregnancy rates.

Praise

We had two tires with nails in them that we were unable to repair, but God provided two new front tires. Thank the Lord.
