

The Gali Family Missionaries to Chile

November 2006

Dear Praying Friends,

“I thank my God upon every remembrance of you.” Philippians 1:3

As we are quickly approaching Thanksgiving there is so much for which to be thankful. We could fill pages telling of God’s provision and protection this year, but we would like to specifically thank each church that has helped this to be a wonderful year on deputation. God has blessed our family in putting us in contact with some of the finest churches in the country. In the midst of a time where there is a turning from the truth, it is a blessing to see churches that are still standing firm in the word of God. May we be found faithful until the Lord comes.

We are winding up a month on the road. We can now add Mississippi and Alabama to the states we have traveled through on deputation. We have had wonderful meetings this past month. One of the greatest blessings was meeting two people from missionary families in Chile. The second person we met helped us so much. He answered all of our questions and gave us more contacts. It was encouraging to hear of families who are still faithfully serving the Lord after so many years in Chile. We have heard of three missionaries who have left Chile this year. Although there are a few missionaries currently raising support for Chile, these are just replacements. Please pray that God would raise up laborers to reach the Chilean people.

Matthew and Samuel are both doing fine. Samuel has some congestion from a cold a few weeks back, but otherwise they are healthy. Matthew just celebrated his third birthday while we were in Alabama. We are planning a party for him when we return home. He is getting excited about his cake and the chance to see his cousins.

We are looking forward to a few days at home as well as being able to spend Thanksgiving with our family and church family before we start another three week trip. Please pray for us as we will be traveling in West Virginia and Ohio.

We trust that you will have a blessed time of fellowship with family and friends during Thanksgiving and may God richly bless.

In Christ,

The Gali Family
