

THE KNICKERBOCKERS

Serving in France since 1989

Dear friend in Christ,

"I being in the way the Lord lead me!" We just do not know what the Lord has in store for us on a daily basis, but his promises are true and sure.

A wonderful contact!

One of our members put us in contact with a Christian business man who has promised to supply a good portion of our sanitary needs for the new building. Recently we met in town and had a time of fellowship in the street. He is a leader in an Evangelical church in another town and has asked me to help him with message preparation. We have met two times already and we will meet regularly for the next two months. I am going to give him a crash course in hermeneutics and hopefully help him see more clearly the errors of the charismatic movement. Please pray for Michel.

Basketball

Since September I have been coaching in a men's league. I have prayed for the Lord to open doors and last month as we were going to a game three Muslims began asking me questions. It was interesting to see what they believe and how they view us westerners. I invited several of them to a special service where we were to talk about the authority of God's word. None of them came, but the father of one of my other players came, and after the service said he would be back next Sunday. Pray for my testimony with these basketball contacts.

Follow up on the family of a deceased member

The Lord has blessed in the contact that we have maintained

with Roger's family. One of the daughters has invited us to their home and has given several things to the church. They sold their father's car to the church and we have given it to one of our missionaries whose car was just recently totaled. What a blessing it was to be an encouragement in this way.

Building!

Since our last letter things have started moving once again. We have submitted the new permit and also met with the authorities that handle the permit to answer their questions. Today we met with the mayor of the city and were once again able to share with him a few spiritual truths about Christ. He openly said that he is very disappointed with religion in general. I told him Jesus never disappointed anyone. Continue to pray for the Lord's leading and for unity in the church.

A new open door, still open!

Patrick and Genevieve are thrilled to continue studying the Bible with us. We spend about an hour answering Bible questions and an hour in Bible study.

Furlough!

We are preparing for a year furlough. Our tickets have been purchased and we have a place to stay for the summer. Upon arrival, I will be taking some grad courses and we will be taking a family vacation out west. This will probably be the last time that we will be able to be together on family vacation, as the older boys will be looking for part-time jobs as they save up for college.

We would love to see the Lord open the doors for Isabelle to be able to find a teaching position in a Christian school while the boys adapt back to English. Please pray with us about this.

We are scheduling for our furlough, so if you want to have us in and would like to propose some dates feel free to contact us via E-mail at: knickinfrance@compuserve.com.
