

The Messer Message

August 11, 2008

Dear praying friends and family,

It is about 1:30AM our time. Laurent, Rebecca's husband, just came to our gate from the hospital. He rang the doorbell about 50 times until we woke up. When we finally met him, he was sobbing and quite discouraged. His wife, Rebecca, is no longer responding to sound or touch. She may be going into a coma or about to die. Rebecca is the lady we mentioned in the last e-mail update. She has been really sick for a few weeks now. Becky and her sister, Joan, just left with Laurent to return to the hospital to assess the situation. Please pray for God's grace during this time. Please pray for wisdom and strength for Becky, Joan and Laurent. We believe Rebecca is saved. Her life rests completely in God's loving hands. We will keep you posted as to the outcome. Thanks for praying for us.

Love in Christ,
Andy and Becky Messer
