Dear Friends,

Greetings once again from mid-coast Maine. The skies are blue today and the sun shines brightly, although I must say that it still feels like winter. I sure am looking forward to the next nine months. It just seems that we can get so much more accomplished for the Lord during this time than we can during the heart of the winter.

Mid-Coast Baptist Church is doing well. There exists a wonderfully sweet spirit among our people, and they continue to grow in grace and in the knowledge of our Savior. Every service is an exciting time for us as we anticipate God's blessing.

Please pray that the Lord would continue to establish the church in the faith. Also, pray that we would see many in this town and the surrounding area exercise repentance toward God and faith in Christ our Lord. This community is so steeped in intellectualism that most people we meet seem to think it an ignorant thing to believe the Bible. What a shock is in store for them when they will someday be brought before Christ at the Great White Throne and they finally bend the knee and confess that He is Lord to the glory of the Father! They need to call on Him now, and that's why we are here! Thank you for making it possible for us to be here through your prayers and giving. We are greatly indebted to you, and we take great pride in being your representatives.

Let me share some family notes in closing. Our daughter, Judy, had a baby boy on February 8th. I was able to be there with her and Mark for the birth of Russell, but I had to leave the next day; however, Kathy stayed on for several days to help. That is their second child, and our tenth grandchild! Bobby and Daynna are also expecting. They were at the doctor's office today and she said that she expected Daynna to deliver within the next few days. Also, our daughter Lindy, and her husband, Erick, are expecting. What a blessing all these children are! We are so thankful.

May the Lord bless you. We love you, and we continue in prayer for you.

Sincerely

Bob Mitchell
