Dear Friends,

Greetings in that name which is above every name. In my last prayer letter I told you of my experience at Maine Medical and of the heart procedure which I underwent. I am happy to report that there have not been any complications, nor have there been any symptoms of angina since then. I understand that the first six months are critical. So far, so good. I have made some radical changes: diet, nutritional supplements, exercise, etc. Please continue to pray that the Lord would reverse the heart disease.

I am glad to report that we have had visitors as a result of the John and Romans distribution. Among those who have visited some continue to attend the services. I think that we have distributed nearly 5,000 and that would put us at the halfway mark. Continue to pray that God would bless this effort.

The Mid-Coast Baptist Church is doing well. We presently have four that we will be baptizing within the next few weeks. Two more have been saved and will perhaps be added to the list. Please pray that these dear people would all "cleave unto the Lord" and grow in grace and in the knowledge of our Lord Jesus Christ.

We greatly rejoice to report that a sweet couple who had been living together for two years, and who had been attending our services for the past several weeks, separated from each other for a time and then were married and came back together. This is the third couple to do so since we have moved to New England. Praise the Lord!

Thank you for your prayers and financial support. We count it a great honor to be your representatives here in the Northeast.

May the Lord bless you. We love you, and we continue in prayer for you.

Sincerely

Bob Mitchell
