Dear Friends,

It is a joy to write to you and to report on the blessings of God in our lives and ministry. The Lord has been so good to us, and you are one of the blessings that I thank Him for daily as I bow my knees in His presence. Thank you for faithfully supporting us in this work that He has called us to do.

Thank you for praying for my health. Please continue to do so. I had a blood test performed a couple of weeks ago. The exercise and change in diet, reinforced with prayer, have brought my cholesterol down from 211 to 159. The doctor said that 211 is not all that high for the normal person; however, since I produce plaque in my arteries I need to get my level down to 130. The stents in the arteries of my heart are working out real good. October 5th marked six months since they were inserted, and that is a blessing. I was told that 40% of the stents fail within the first six months, but if they do well for that long then they should be fine for life. Praise the Lord.

Since our last letter we baptized five people and received all of them, along with one other into membership. Also, a young man, by the name of John, trusted Christ this past Sunday evening. Please pray that John will grow in grace and in the knowledge of our Lord Jesus Christ.

The door-to-door distribution of the *John and Romans* booklets is coming along well. We have had several visit our services as a result of receiving these. As a matter of fact, it has been the most effective thing that we have done to generate visitors to our services. It makes us think that the Lord is pleased with the effort to get His Word into homes.

May the Lord bless you. I pray for you faithfully, and I thank God that you have chosen us to represent you here in the Northeast.

Sincerely

Bob Mitchell

Jesus said, "I will build my church."

"Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified..." 2 Thess. 3:1
