Dear Friends,

“Blessed be the Lord, who daily loadeth us with benefits, even the God of our salvation. Selah.” Psalm 68:19. Each morning as I get down to pray, I don’t seem to get very far in my prayer before I find myself praising God for all the benefits and blessings which are mine in Christ. They are both wonderful and innumerable.

Please forgive me for failing to send a letter this past month. I generally send out a prayer letter every other month, but last month I thought that I had sent one in December though I had actually sent it in November. I have another birthday this month, and perhaps all of these birthdays that I have had over the years has something to do with the fact that I am more easily confused than I used to be!

We have begun going door-to-door in South Portland. Please pray that the Lord would prepare the hearts of people in that city to receive the glorious gospel of Christ, and that He would lead us to those who may already be saved and are in need of the church which we are starting. Also, pray that we would be able to find an adequate meeting place for a reasonable price. We like to do things first-class for the Lord, so we need Him to provide us with a sharp building or rental unit as He did in Laconia, New Hampshire, and in Brunswick, Maine, when we started in those two cities.

May the Lord bless you. I thank God for your financial and prayer support, and I pray for you regularly.

Sincerely,

Bob Mitchell
