Dear Friends,

Greetings from the Northeast. We have had a mild winter so far this year and though I like snow and the cold weather which we usually experience in New England, I am very thankful for the warmer temperatures in light of the cost of fuel oil.

We continue to meet in the Bromwell's home in South Portland. Within the next two or three months we hope to rent a building in which we can have services. It has been our experience in the past that it is easier to get people to attend services in a rental unit than in a home, and it gets even better as the church can move into its own church building. Please pray that the Lord would guide us in our search for a rental unit.

We are still working on plans to start construction of a building in Brunswick this summer. With all that needs to be done it seems overwhelming to me at times. Pray with us that our zoning variance will soon be approved by the Brunswick zoning board, and that everything else involved with the construction of the building will fall into place. We need to see the Lord work some miracles in order for this project to go forward and the building become a reality.

I will be traveling to North Carolina the end of this month. While there I will be reporting to three churches which we have not been in for years; however, the original purpose of the trip was to meet with Brother Brian Greene for a couple of days. Brian is going to plant a church in Wake Forrest, North Carolina, and he has asked for my assistance. I want to be all the help that I can to this fine young man. I am convinced that the Lord's hand is on him. He is a student of the Word of God, a gifted preacher, and a man with a heart for souls. His doctrine is straight, his standards are biblical, and he is sent out of a church which is New Testament in both its doctrine and practice. He is the kind of man that I want to help, and the kind of church that he will plant is needed.

Kathy and I pray for you regularly. Thank you for your prayer and financial support. It is our prayer that the Lord will bless you.

Sincerely,

Bob Mitchell
