Dear Friends,

I thank God for you, and I pray for you on a regular basis. Thank you for all the prayers which you have offered on our behalf. Over the past several years we have been wonderfully blessed of the Lord as we have been involved full-time in planting churches, and I know that it has much to do with your faithfulness in praying for us.

As you know, we have been meeting in Portland in the Bromwell's home for some time now as we have been searching for a place to hold public services. Praise the Lord, just the other day we received word from the South Portland School District that we have been approved to use a multi-purpose room in one of their buildings which they own and maintain but no longer use for school. It is a small building but just right for what we need, and the cost is only \$20 for any day in which we hold services. Our first service in this facility will be on Sunday, November 19. Please pray that the Lord will bless with several visitors from the area.

In Brunswick we are back to looking for land for the Mid-Coast Baptist Church. I do have a couple of leads which I have followed up on recently. Pray that the Lord would provide a place to build. I have put a great deal of work into searching for land and developing plans to build a building, and I look forward to the day when we can begin. We have filled the building where we presently meet, and growth is hindered by a lack of seating, parking spaces for cars, etc.

Thank you once again for your financial support, and for every kindness which you have expressed to Kathy and me. We love you.

Sincerely,

Bob Mitchell
