Dear Friends,

Paul, referring to the inexpressible gift which God bestowed on us in His Son, said in 2 Corinthians 9:15, "Thanks be unto God for his unspeakable gift." Those who truly know Christ by grace, and who walk in the Spirit, are continually thanking the Father for the gift of His Son and for every blessing received through Christ our Lord. As a matter of fact, we are reminded during this season that the very essence of Bible Christianity is giving. It all began with Him who "gave his only begotten Son."

We have been meeting for about a month now in the gym at the Hamlin Elementary School in South Portland, Maine. After distributing *John and Romans* booklets and invitations to the services of Heritage Baptist Church to about 5,000 homes, we had, I believe, twenty-four people in the first service. Not all came back the second week, but we have been blessed with first-time visitors in almost every service. Please pray with us that the Lord will build this church.

Please continue to pray that God will provide land and a building, or an existing building which could be used as a church building in Brunswick. We are continually working on this project, but are hindered at every turn.

Thank you once again for your financial support and for every kindness which you have expressed to Kathy and me. We love you, and we pray that you have a wonderful Christmas and a New Year blessed of God.

Sincerely,

A handwritten signature in black ink that reads "Bob".
