Dear Friends,

We are still meeting at the Hamlin Elementary School in South Portland. As I mentioned in my last letter, it has really been slow going in comparison to the first two churches which we planted; however, we do have three or four more people who are attending regularly since the last report. Also, we have received the 5,000 *John and Romans* booklets which were on order, and we begin distributing them, along with invitations, this next week. Please pray that the Holy Spirit will use these to generate interest in the hearts of many, and that He will bring us together with those in whose hearts He has been working.

The church in Brunswick is doing well under the leadership of our son, Bobby. It looks as though we will be able to finalize the purchase of property for that church sometime in July or August. Various tests have been successful, and all other requirements have been met so far. Please keep this in prayer. We also hear good things of Pastor Doug Conley and the Central Baptist Church in Belmont, New Hampshire. This is the first church which we planted. They continue to see folk saved and added to the church on a regular basis. Pray for them.

Amy Bromwell, wife of our co-worker, Tom Bromwell, will have an operation on May 15 in Boston to remove a benign tumor which is the result of a disease called acromegaly. The tumor is attached to her pituitary gland and has filled her sinus cavity. We are praying that the surgeon will be able to get all of the tumor, and that God will grant her a complete healing. The Bromwells are very special to Kathy and me. Amy and the rest of her family were in the church which I pastored in Pennsylvania for years, and I had the privilege of officiating at Tom and Amy's wedding. Please join us in praying for her.

Thank you for your support. May the Lord bless you.

Sincerely,

Bob Mitchell

Jesus said, "I will build my church."

"Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified..." 2 Thess. 3:1
