Dear Friends,

Greetings once again from the Northeast. It has been a very cool and wet summer here. I believe that we have had rain for nineteen of the past twenty-two days. The ground is saturated, and so are we!

Since our last letter Kathy and I have celebrated our fortieth wedding anniversary. What a blessing it was to go away and relax for several days, and then upon our return the church in Brunswick had a dinner and reception for us. The sweetest part of the evening was the testimonies from people who wanted to thank us for coming to northern New England to plant churches. Especially touching were the testimonies from the teens. One teen girl gave me a hug and said, "I love you Pastor Mitchell. You led me to the Lord." Believe me, that brought tears to my eyes. But the fact of the matter is that I couldn't have been here doing what I have been doing without your support, so this is fruit that will abound to your account. Thank you for supporting me.

Please pray that the Lord will use the *John & Romans* booklets and the invitations which we have been distributing in South Portland. Several men from the Mid-Coast Baptist Church in Brunswick help with the door-to-door distribution of these materials. It is a real blessing to have their faithful help. Thinking of that church, please continue to pray for the meeting with the Brunswick Planning Board coming up in September. We are seeking approval of the site plans and architectural drawings for the proposed building.

Amy Bromwell, wife of our co-worker, Tom Bromwell, has completed the month of radiation treatments for acromegaly. She now faces an operation on August 26. The surgeon is going to remove a goiter from her neck and perform a total thyroidectomy. Please pray for Amy.

May the Lord bless you. Thanks again for your prayer and financial support.

Sincerely,

Bob Mitchell
