

The Parvis Family
Missionaries is Aviation
with Mission Aeroservices

Dear Friends,

June 2007

How faithful our God is in the time of need! We have seen His hand moving in the past weeks. The past few weeks have been a very busy time for our family as we have been preparing for full time deputation. Our home sold very quickly, Jim finished his last day at Decrane Aircraft, and the remodeling of our 5th wheel is complete. We had many friends come to our rescue in helping us move out of our home and into our camper. God was faithful to supply help in the time of need.

In April our home church in MD hosted revival services with John Hamblin of the Sword of the Lord. We were able to attend these meetings and received such a blessing. On the final night our son, Wyatt surrendered to preach. Just a few weeks later at our farewell service he preached his first sermon on "Being a light for Christ". Wyatt gave the main points and Jim explained the plan of salvation. Two people raised their hand for salvation. It is hard to express in words the joy we as parents felt. Please pray for Wyatt, Logan, Grayson, and Shelby that they will stay close to the Lord and continue to seek God's direction in their lives. Grayson was also baptized that same night. We have no greater joy than to know that our children walk in truth.

We planned to leave on June 1st for New Bern, NC which is the home of Mission Aeroservices. Bro. Jack Hunt phoned us and told us that Tropical Storm Barry was to hit that area in the next day or so and 45 mile an hour winds were expected along with 5 inches of rain in a 24 hour time period. We decided to delay our departure till that following Monday. We will be at the mission in New Bern for 2 weeks getting focused on our ministry then have Faith and Family week with World Wide New Testament Baptist Missions. From there we will travel to raise our support full time. We appreciate your financial support and mostly prayer support as we have many miles to travel asking churches to partner with us as we strive to reach the world through missionary aviation.

Looking up for His return,

Jim & Jennifer Parvis
