NEWSLETTER JAN – FEB 2010

Dear Praying Friends and Family,

Greetings to you all from the land of India in the name of the Lord and Saviour Jesus Christ! Thank you for your prayers and support for the ministry in India. By the grace of God the ministry is progressing with souls being saved and baptized! Praise the Lord. AMEN!

Thank you for your prayers for my health. Recently, I was sick for a few days but the Lord brought me back on my feet. Please continue to remember to pray for me. Now I am 85 years old. I thank the Lord for His goodness and mercy and the opportunity to serve Him. I thank the Lord for my son, Dr. Paul Victor, assisting me in different areas. He is a blessing for me in the ministry. Please pray for him, as he is also reaching the lost in the land of India.

Summary of Ministry Blessings:

- Five saved in the 1st week of December during the evangelistic meeting conducted in Seethammapeta village, Devarappalli Mandal.
- 10 saved in the 2nd and 3rd weeks of our Christmas Meeting. It's unique in India that our Lord gave me the opportunity to reach the Hindus with the gospel of the Lord Jesus Christ. I preached in six Evangelistic Christmas meetings.
- Seven saved in the 3rd week of January in a fishing village near Vizianagaram. The Lord burdened my heart years ago for the fisherman.
- 15 saved in the 2nd week of February in Revival meetings. Our dear Lord allowed me to travel and visit our churches and I preached in eight of the churches that I started.

Ministry Prayer Requests:

- Please pray for my son, Dr. Paul Victor, who is planning to go on a mission trip to Burma for evangelism and to train the National Pastors. Six gospel team members are going along to reach the souls in Burma.
- Please pray for Dr. Joseph's School and orphanage- for the children's salvation
- Please pray for all the Pastors working with Gospel to Asia Ministries International Inc. We currently we are working with 100 pastors and our vision is to train 1000 National Pastors.

Special Prayer Request:

Please pray for my health. At my age, I have to fight with many areas like Blood Pressure and Diabetes. My health is good one day and bad the next. God's grace is sufficient to me. I am praying the Lord will use me for His glory until He calls me home.

In His Service,

Dr. Joseph Robert
