

The Walker Family to Ghana, West Africa

August 2002

Dear Fellow Believers,

My family and I are truly grateful to you for all of your prayers and financial support during this time of hardship. Our desire is to be on the field this time next year. Please continue to pray for Esther, she still has a long way to go but she is improving everyday. Praise the Lord!! Esther is now 13lbs. 14 oz. "to God be the glory". Esther is more alert than ever before. She does not seem like the little baby that we brought home. She has been an joy to us all. We have been putting Esther on a special diet that will help her to gain weight. We have been giving her vitamins to help her gain the needed weight faster and it really seems to help. Please pray for God's will for little Esther's life.

We are planning meetings now for the next few months if you would happen to know of a Pastor that would like to have us in their church please have them either contact the Mission or my cell phone (Mission 704-730-1440 or My cell 803-664-0168). Please do not feel obligated to do this. Rest assured that I will be contacting churches myself to try to get the financial medical means necessary as soon as possible. I know that anything that you do will be a help. I am so thankful for your patience and your faithfulness. Your faithfulness has not gone unnoticed by me or most of all God. My family and I lift you up in prayer everyday. Ronnie and Daniel thank God for all the churches that support us every night before they go to bed. It is such a thrill to be in the ministry and to see that our children are involved in prayer for their supporting churches. We are so thankful for the cards and gifts that we receive from you on a daily basis. May the Lord richly bless each and everyone of you. Thank you from the bottom of our hearts.

Because of Calvary,
Ronnie Walker Family
