

# The Walker Family to Ghana, West Africa

March 2003

Dear Fellow Believers,

The Lord has been so good to us we cannot begin to thank him enough. We are so excited about what God is doing in the ministry. We thank you for all of your prayers and faithful support. Esther is doing so well the doctors are dumbfounded, as to what is going on with her. We know exactly what is going on. There are people praying for her all over the world. Esther is now over 22 lbs. To God be the Glory. She has started pulling up and moving around while holding on to things. She is a miracle from God. The doctor has told us just the other day that Esther is well enough to go back to Africa. Excuse me while I shout awhile. PRAISE THE LORD!!! GLORY TO GOD!!! HALLELUJAH!!! AMEN!!!!!! Thank you for waiting while I shouted. Lord willing we will be going back to Africa by the end of September.

We are having meetings all over the place. We are booked up through June and then scattered throughout the remaining 2 months. Please pray that we will be able to raise the additional support we need so that we will be able to return as soon as possible. We have had 2 new churches that have taken us on, and 3 more possibly that still may take us on. Ronnie and Daniel are doing well although Daniel and Esther have a cold right now. With the weather changes we cannot keep them well. Lord willing when we get to Africa we might not have a problem with that. Rebecca is expecting our fourth child. Praise the Lord. Please pray for her that she will go through the expectancy well. The baby's due date is July 9, 2003.

The work in Africa has gone down to 14. Please pray that the Lord's will be done there. Our heart longs to be there and work with them. One of the preacher boys still goes to the refuge camp and preaches there while I am not there. This is a tremendous blessing to me and my family. Please pray for him that the devil will not discourage him in preaching.
