Dear Supporters of Ronnie and Rebecca Walker,

A few days ago I joined a small group of people on a trip to Ghana, West Africa. The purpose of our journey was to attend the funeral services of Esther Walker, the three year old daughter of Ronnie and Rebekah Walker. God manifested His grace in the lives of these precious folks, and they displayed the goodness of their great God before the people of Ghana. I felt that you should know that the Walker family displayed a wonderful testimony before the souls that they are attempting to reach with the gospel of Christ.

The Chief of the area gave permission for the Walker's to develop a cemetery on the property that has been given to the Baptist Mission. Only a few steps from their home is buried the body of their precious daughter.

I want to thank you for praying for this missionary family during the time of their great need. It was obvious throughout the funeral process that the throne of grace was being approached by many believers on behalf of the Walker family. Please do not let up. We cannot even begin to imagine what these parents are going through at this time.

If you would like to make a special contribution to the Walkers to help cover the expenses of the funeral please send your gift to the office marked "Walker Family." I can assure you that this family and ministry are worthy of your kind consideration, and that the needs are obvious. Once the expenses are taken care of your gifts will be used in their ministry. These needs are real. If you would like to send a card or letter we would be happy to get them to the Walkers.

In His Service,

Danny A. Whetstone
