

Merry Christmas!

December 2003

Dear Christian Friends,

As Christmas season is just around the corner, I am reminded that there maybe only one more Christmas in which my family and I will be able to celebrate with our family and friends before we go to Mexico. We are looking forward to moving to Mexico, yet we are not looking forward to moving away from those whom we love the most. I am anxious to see how different Mexicans celebrate Christmas. I have never hung Christmas lights on a cactus before. I suppose it is done very carefully. I wonder if they hang icicle lights from their gutters. I wonder if they know what icicles are.

Deputation has been an enjoyable time as we get to meet many great people and pastors. We have had traveling mercies and great meetings with some of the most gracious Christians. Our support level is at 41%, and is growing close to the half-way mark. This makes us all very excited. Thank you very much to those who have helped us by praying for us, by your financial support, and by your encouragement. Our God is obviously hearing your prayers, and we desperately need the encouragement and support.

We send you our warmest greetings and wish you Merry Christmas.

Jimmy, Sharon,
Coby, Walker, and Callie Watson*
