

Merry Christmas!

December 2004

Dear Friends,

As we take time during this holiday season to reflect, we truly have much to be thankful for and to rejoice about. This year has seen us in many churches and we are thankful to each one for what you taught us. Our support level has risen to 82% and we are rejoicing that soon we will be able to be in Mexico where the Lord has called us.

During November, Sharon and I celebrated our 8th wedding anniversary and were able to get away for a couple of days without kids. We took the time to enjoy some of God's creation while hiking in the Table Rock, SC area. The kids enjoyed staying with Papa and Nana.

November also saw us getting the cargo trailer purchased that we were in need of to move our stuff to Mexico. We are so thankful to the Lord for providing this for us at minimal cost. The transaction for the truck should also be complete in just a few days. We are so excited to have the necessary tools so that we are ready when the last bit of support comes in. We also received the acceptance letter from the language school that we will be attending in Auguascalientes, Mexico, to begin school in August 2005.

December will see us in several churches in North Carolina and several up in northern Alberta, Canada. We look forward to visiting some missionary friends there and presenting our work in their church. We will also get to visit with family for Christmas.

It is our prayer that the Lord would bless you as you celebrate His birth this month. We are blessed to be able to serve him and have such faithful friends as yourself standing beside us. Thank you for your continued prayers for safety and wisdom during these final months of deputation.

In Christ,

Jimmy, Sharon, Coby, Walker, and Callie Watson
